Company Invitation

Dear Colleagues,

The 8th IFHNOS World Congress will be held in Brisbane, Australia from Wednesday 24 - Saturday 29 August 2026, in collaboration with the Australian and New Zealand Head and Neck Cancer Society.

Brisbane city and the Southbank precinct, the site of the congress venue, are an ideal location for a meeting. Brisbane has a relaxed subtropical feel, while at the same time it has all the facilities, restaurants and entertainment venues that will make it a memorable experience for delegates, accompanying partners and families.

There is a real vibrancy to the city as it prepares to host the 2032 Summer Olympic Games, and serves as a gateway to many of the places people love to visit when in Australia such as the Gold Coast and The Great Barrier Reef.

IFHNOS is made up of over 70 member societies across 58 countries, so this will truly be an engaging international head and neck cancer conference for the ages. Along with the organising team, we plan to deliver an exciting 3 days of high quality scientific and social program.

As part of this congress, we are also pleased to offer a range of opportunities for industry partners to showcase their products and services to a highly engaged audience of international clinicians, researchers, and decision-makers in the field of head and neck cancer. Sponsorship and exhibition at the IFHNOS World Congress 2026 will provide unrivalled exposure, networking, and collaboration prospects, enabling you to connect with delegates from around the globe while demonstrating your organisation's commitment to advancing patient care.

I do hope you can join us and contribute to what I anticipate will be one of the most successful IFHNOS meetings of all time.

I look forward to welcoming you to Australia.
